

# BRISTOL DEFENDANT SOLIDARITY

YOU DO NOT HAVE TO FACE THE SYSTEM ALONE

BDS started after the April 2011 Stokes Croft riots. We stand in solidarity with all those arrested. This includes:

- court and bail accompaniment
- help finding and transferring solicitors
- writing to prisoners
- help accessing legal information
- collating information for defendants
- creating and distributing "bust cards" on demos
- running legal workshops

We have been involved in legal support for riots, demonstrations, and squat evictions. BDS sends respect and solidarity to all of those awaiting trial, in court or in prison for resisting. We want them to know they are not alone and certainly not forgotten.

We will always support anyone arrested or imprisoned as a result of demos, riots, direct action and escalating class war.
